

MODERN CLASSIC CARS FOUNDATION

SPONSORSHIP & PARTNERSHIP OPPORTUNITIES

Support the Next Generation of Vehicle Restorers

OUR MISSION

We're building a future where skilled automotive trades thrive and, young Australians have access to meaningful, hands-on careers. Modern Classic Cars Foundation are a registered charity providing cost-free apprenticeships in the specialist vehicle industry.

WHY IT MATTERS

The specialist vehicle industry is in fast decline due to:

- ✗ An aging workforce
- ✗ A shortage of apprentices
- ✗ High costs of training for small businesses

Our apprentices are trained in:

- ✓ Classic car mechanics
- ✓ Auto-electrical & diagnostics
- ✓ Paint & panel beating
- ✓ Trimming & interior restoration
- ✓ Engine machining & performance tuning

Meanwhile, Australia's historical vehicle sector generates \$25.2 billion annually, supporting over 78,000 jobs. MCCF exists to protect these jobs, preserve skills, and build long-term career pathways

WHAT WE OFFER

Each apprentice receives tools, PPE, uniforms, above award wages, education and one-on-one mentorships ensuring success for both young tradespeople and their future employers.

 Training at no cost to apprentices

 Starter tool kits & safety gear

 Bespoke skill workshops

 Career Mentorship

 Business start-up support
